Audience Feedback

"She was encouraging and dynamic and I loved how DeAnna let her personality shine through."

"DeAnna's presentation and sharing how to "show up", as well as small group discussion."

I love the whole presentation on how dressing can really level up your branding.

"The upbeat-ness of the entire presentation the empowering women message that was the focus. DeAnna's style and sass are both impeccable- Loved it!"

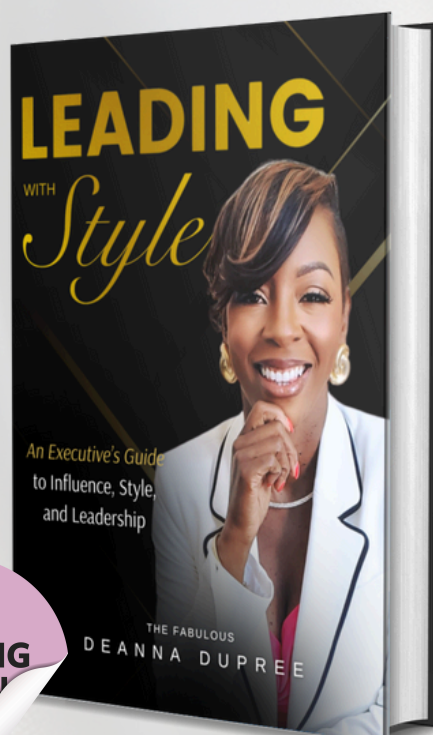

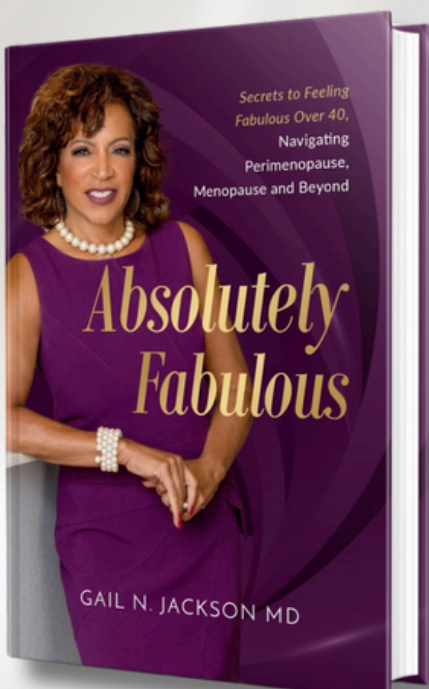

"Expanding your basic essentials, and the rest will come together and meeting new people and understanding their needs before my own."

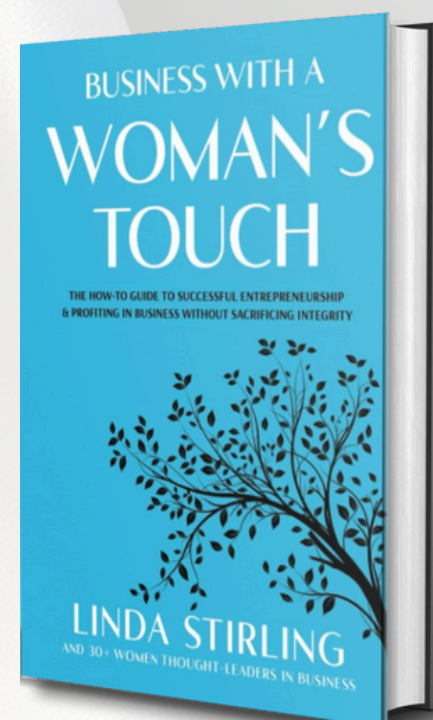

"Fun and empowering women showed up like a boss that we are!"
